## Schedule for the Fourth Quarter 2022

Below is a tentative schedule for Niners, assuming the front nine will be open for tournament play as of October 4<sup>th</sup>. If the Tuesday Men's tournament has cleared the first tee by 11:45 AM, we will tee off at noon. Otherwise, our first group will go out at 1:00 PM. Players should check the Men's tournament tee times to see if they will be finished. We will play the following games:

Oct. 4	Ind Low Net
Oct 11	Hate It!
Oct 18	Odd holes
Oct 25	OTS
Nov 1	ILN w/3 clubs & putter
Nov 8	Hate It!
Nov 15	Odd holes
Nov 22	OTS
Nov 29	2 player scramble
Dec 6	Ind Low Net
Dec 13	Hate It!
Dec 20	Odd Holes

For those who are new to Niners, Hate It! is a game where the score for each player's worst hole is thrown out. OTS is a game where only the scores for holes one, two, three, six and seven count for the prize money. Odd holes means only the odd holes count for the prize money. In the past, except for the two-player scramble, all the games Niners played were individual. Since it appears we may have larger tournaments, there is a possibility of adding more team games in 2023. The Golf Genius software the club will be using would allow games like best ball, alternate shot, etc. We'd like to get players preferences on whether to add

more team games or emphasize individual play.

## Dues and Bag Tags

There are very few requirements to play Niners Golf, but you do need to be a dues paying member of the golf club and have an Ocean Hills bag tag. Get your bag tag at the front desk in the clubhouse. Residents must have a tag to play our course.

## Golf Genius

The golf club will be using new computer software, called Golf Genius, to schedule, score and manage tournaments beginning this year. In theory, Golf Genius will notify players of upcoming tournaments, set up foursomes and tee times and e-mail players of this information. After a tournament, it will send you the results. The intent is to reduce the workload on those running the tournaments.

## Uncollected winnings from 2021
